Total Square Foot Tarp Installed: _____
Number of Tarps installed and where _____
_____

Y/N? **TMP/LAB:** Other Materials & Labor Used to Mitigate Damages:
(tape/sealing pipe jacks/vents/etc.)_____

The Following invoice is for Tarping **Mitigation only**, any other estimates will be submitted seperately. **The following Tarping Service is a One-Time Service Only**. We do not warranty the tarps for any length of time as a second storm could come by the following day and destrory them. If **aggressive damage mitigation** is needed, batons will be nailed through shingles to roof decking (causing damage) to nailed surfaces. Sandbags will be used regardless.

Proxy1Mitigators will not be responsible for “repair services” of said tarping. We are here to mitigate future damages only. **We are not a licensed roofing contracor**, nor need a license to perform “tarping serices” as this is not “a finished part of the homes structure”.
